Photo/Video Consent

Central UMC would love to capture our moments of fun and learning by taking pictures and videos. The pictures may be displayed throughout the building to show everyone what a great time we are having. In addition to displaying them throughout the church, they may appear on our website, Facebook page, and/or church publications. Please sign the consent below to allow or disallow your child's photos to be used. **Children's names will not be labeled on or with the photos or videos by the staff.** If you have questions or concerns, please call or email Pastor Jen if you are not able to speak with her in person. 765-962-8543 or jennifer@richmondcumc.com
